THE PACIFIC STRINGING SERVICE

PACIFIC support Staff attend nearly every ATP World Tour Event – from organizing official distribution of Products, to serving as an event's 'Official Stringing Service'. The focus is always on professionally taking care of the numerous and often unique needs of the players. Flexibility is key – a working day has no common hours – as we proudly perform the duties being one of the industry's leading product manufacturer's.

The PACIFIC Professional Global Racket Service Department PACIFIC continues to lead the way in supporting the world's best players with premium service. Our exclusive Team of Professional Racket Technician's continue to provide the ultimate in racket service at numerous ATP/WTA global events. The PACIFIC stringing machines are welcome guest on tours like the ATP Tour Events or national tournaments. The pros let their rackets get strung at the service up to 20 times.

PACIFIC has been around for 40 years with his team on the tours, for example at the Mercedes Cup. Their focus is to deliver exactly what the professional player requests – achieving this is only made possible with their expertise and of course, with their using our German Engineered & Manufactured PACIFIC Stringing Machines.
